

Belize here we come!

March 2010

Greetings from Elkhart.

HCJB Global has a couple of partners who have planted Christian radio stations in the country of Belize.

Our partner Richard Smith operates My Refuge, which has two Christian radio stations.

His first station went on the air in September 1994. On his website he is looking to find someone to come and assist with DJ training and/or radio development.

I felt the desire to go and assist him. We have made this known to some of our supporters and one church has contacted us willing to cover one of the airline tickets. By faith we have ordered our tickets for Teresa and I to go together to make this a great time of training for them.

Our experience in international radio from our days we served in Bonaire with TWR to our time in Texas allows us to be a great help.

We are looking to raise an additional \$650.00 to not only cover the airline ticket but also extra traveling expenses along the way.

We would prefer to fly directly to Belize but because of the cost of airline tickets, Richard is willing to drive up to Cancun, Mexico so we can fly for about half the cost of flying directly to Belize.

Our goal to leave is March 31st and return on the 12th. Please mark your calendars to pray for us during that trip.

HCJB Global Highlights for 2009
